

Saratoga Travers Day Picks are the most popular racing day picks. Travers Day is like the Kentucky Derby of summer. One of the nations best Saratoga horse racing handicappers publishes a Travers Day Tip Sheet every year. Take a look below to see why Dennis Stagliano's Travers Day Tip Sheet is one of the most sought after Travers Tip Sheets in the nation.

BEST BETS

RACE 5 #3 MITOLE got a bad trip in the Vanderbilt (3rd place). Jockeys usually don't make the same mistake twice on the same horse, so I expect a winning result, especially as this bay colt is a near perfect 4 for 5 on this type of race track. **WINNER:**

RACE 6 SEPARATION OF POWERS beat Mia Mischief last year in the Test, and Brown kept her at Belmont to maintain a normal training rhythm to get ready for this race. She should separate herself from the pack and power down the stretch.

RACE 7 SHANCELOT just may be the fastest horse on the course today. Must admit don't like the #1 hole. He romped to victory in Saratoga's G2 Amsterdam. Look for Call Paul to set the pace for Shancelot to possibly break a track record.

RACE 8 #3 SECRET MESSAGE had a troubled trip in the Diana and gets a jockey upgrade to Jose today, and deserves another shot. Trainer Graham Motion recruits the top rider at the Saratoga meet thus far, and that's Jose Ortiz.

RACE 9 #1,4 MIDNIGHT BISOU, ELATE Looks like a nice spot for Bisou albeit the #1 hole. Has never finished off the board, and owns a perfect 5 for 5 starting on strips with a variant under 10. Elate is impossible to pass up with that body of work. DH?

RACE 10 #7 ANNALS OF TIME on a 1½ mile route on the inner turf one needs a little bit of racing luck. Many say the being a hall of famer is much better than being lucky. Therefore, I will back the best jockey on the best horse in this race.

RACE 11 #2,6,9 CODE OF HONOR, TACITUS, LOOKINGATBIKINIS Code of Honor recent workout very impressive. Just need the little guy to hang for 1¼. Tacitus with or without racing luck should be there. Lookingatbikinis may upset with Javy in the irons
